

An Introduction to “The TETRAD” and its “STEMA”<sup>1</sup> – some URLs shared by Professor Martin

These may be of some interest to different minds.

compiled 24.October.2013, rev. 5.Nov.13

*Principally concerning what most people associate with the acronym, “STEM”:*

- ◆ <http://tetradyn.com> <http://tdyn.org> <http://cgs.tdyn.org>

**TetraDyn** - T'Dyn - "Terrain Dynamique Nouveau"

- ◆ <http://fortehorizons.com> (mirror: <http://forte.tetradyn.com>)

[http:// forte.tetradyn.com/community-support-scholarships-fundraising.html](http://forte.tetradyn.com/community-support-scholarships-fundraising.html)

**FORTE Horizons** - the Capital Funds (and one central community engagement and support program)

- ◆ <http://ecoaduna.org> <http://aletheia.ecoaduna.org>

**ECOADUNA Foundation** (and one aspect, “STEMA” publishing)

- ◆ <http://instinnovstudy.org> <http://instinnovstudy.org/seminarseries.php> <http://library.instinnovstudy.org>

**Institute for Innovative Study** (and one central programme, the TETRAD Seminar Series, and some older papers, mainly by the Prof.)

Note that there is a special international socio-political-cultural event that is integrated with the TETRAD Seminar Series, the Andalusia Accord, pertaining to global conflict sources and solutions: <http://andalusia.ecoaduna.org>)

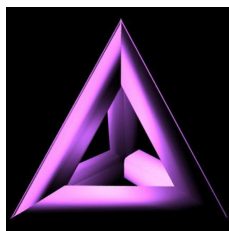

*Concerning methods for implementation, and the consequences of such for a region and its people and for a nation and beyond:*

- ◆ **The Futures on the Horizon** – compact, concise, up-to-date, clear, simple News about Today and The Futures - <http://futures.tdyn.org>

- ◆ The MATRIX – a set of tools, resources and a place for people to use - <http://matrix.ecoaduna.org>

- ◆ The New *Market* Gateway – the New "beyond-mere-silicone" Valley, The New American Economic Renaissance <http://newmarketgateway.tdyn.org>

~~~~~

<sup>1</sup> STEMA = Science, Technology, Engineering, Mathematics and the Arts (“STEM” + “A”)
